

**Insurance Services Office (ISO) Guide for
Dallas Fire & EMS and
Southwestern Polk County Rural Fire Protection District**

Dear Insurance Representative,

In an effort to service our shared customers, the City of Dallas and Southwestern Polk Fire has created this guide was developed to help you. Typically, the Insurance Representative needs to answer two questions: 1) Which fire service protects my client’s property, and 2) What is the ISO Class Rating for my client’s property?

This guide will make it possible for you to use Polk County WebMaps and MapQuest to obtain these answers.

FIND YOUR FIRE DISTRICT OR FIRE DEPARTMENT

To determine which agency provides a property’s fire service, please log onto Polk County, Oregon WebMaps (www.co.polk.or.us/ms/gis/polk-county-maps) and select “WebMaps” from the list on the left. Enter the address in the “Search” box, click on your address from the drop down menu and press enter. Then click the “Appraisal Report”, which will open the overview in a new tab, and scroll to “City, School Districts, and Fire Districts” section. Your fire department or district will be listed as DALLAS CITY for Dallas residents or SOUTHWEST RFPD for Southwestern Polk County Rural Fire Protection District residents.

If not located within the city limits of Dallas, Oregon, or the district boundaries of Southwestern Polk Fire District, please contact the fire agency in which you reside.

FIND ROAD MILES TO NEAREST FIRE STATION

Please log onto Google Maps (www.maps.google.com) to determine the distance between your client’s property and the nearest station in road miles using the nearest street address of one of the two following stations: 1) Dallas Fire Station, 915 SE Shelton ST, Dallas, OR 97338; or 2) Rickreall Station, 275 Main ST, Rickreall, OR 97371.

You may also use the station address of the following mutual aid agencies: 1) Amity Fire Department, 10820 Bethel Rd, Amity, OR 97101; 2) Falls City Fire Department, 320 N Main St, Falls City, OR 97344; 3) Polk Fire District #1 Station 70, 12485 S Kings Valley Hwy, Monmouth, OR 97361 or Administration, 1800 Monmouth St, Independence, OR 97351, 4) Sheridan Fire District Station 97, 5985 Mill Creek Rd, Sheridan, OR 97378; and 5) Salem Fire Department Station 5, 1520 Glen Creek Rd NW, Salem, OR 97304

FIND FIRE HYDRANT & ALTERNATIVE WATER SUPPLY

Contact the water district or property owner to determine the location of nearest fire hydrant. Contact information for local water agencies is as follows: City of Dallas Public Works (503-623-3555), Lukiamute Domestic Water Co-op (503-838-2075), City of Falls City (503-798-3433), Rickreall Community Water Association (503-623-2016), and Perrydale Domestic Water Association (503-835-7221).
